Tournament Rules

Basic rules are normal indoor ultimate rules.

All games in all rounds except Open division final and Women division finals will be played to 11 points, 11 point is also a point cap. Time cap is 25 minutes. When time-cap is reached, finish the point. If no team has reached 11 points, add 1 to the leading score to set the new point cap.

Callahan goal.

A goal is scored when a player catches any legal pass in the end zone of attack.

Disputes.

After a dispute has gone on more than 30 seconds, the game official shall give a warning whistle and call "thirty seconds". The players involved in the dispute are expected to resolve the issue immediately or return the disc to the last thrower.

Late arrival to game.

The game clock will start immediately the hall is free. If one or both teams aren't ready to play after the first three minutes, the team(s) will be penalised with one point for every minute they are late.

Stall count.

Stall count is 8 seconds.

Time outs.

1 time-out (one minute) per game per team. After 50 seconds the game official shall give a whistle after that the teams have to be ready to play in between 10 seconds. Time-cap does not affect the ability of team to call time out.

Tie breakers.

If two teams end up with the same number of points, you go to the head to head result.

If three or more teams end up with the same number of points, you make a separate result table counting only the results of the games between the tied teams. If teams still are tied, you count goal difference in the games between the tied teams. After that goals scored, and finally goal difference counting all games.

Pull.

A fail to catch opening pull is not a turnover. Either make a catch or let the disc drop to field.

Pulls flying directly out of field.

Game resumes from Brick Mark, or from the point where disc was last inside the lines. To bring the disc to Brick Mark, raise your hand signal "Brick" before bringing the disc in the field. Discs flying out of the field lower than 2 meters, the game resumes from the point where disc was last inside the lines. Pulls which land inside but roll or skip outside. The game resumes from the point where disc was last inside the lines. No "Middle" rule

Note.

As the game schedule is so tight and there are so many games per day, we plead you to leave the field immediately after game, so that the next game can begin on time.
